Clinic and Regatta Reports Winter 2017-2018

Ladies Rule the Regatta

Ava Hurwitz of American Yacht Club and her crew Wendi Froelich won the Fevas inaugural appearance at the Orange Bowl Regatta at Coral Reef Yacht Club. With an astounding 11 firsts out of 12 races, this duo dominated the racing for the week. Congratulations ladies!

Second place was a hard fought battle all week between the teams of Fiona and Catherine Froelich and Loïc Freeman and Eli Solnick. Some days the teams were only separated by 1 point. It made for exciting racing. Ultimately the Frolich sisters prevailed and took second place. Loïc and Eli were third, but happy with their performance, this being only the third time Loïc had sailed a Feva. Another team of wonder women were the Stoik sisters, Erin and Shannon, who turned in some great moments and strong performances on the water and off. These young ladies showed us all what real sportsmanship is.
