The RS Feva World Championships attracts hundreds of competitors from around the world and is seen as the most prestigious event in junior double handed and RS Feva Sailing. We frequently see ex RS Feva sailors move on to compete at the highest of levels with current Olympic and Americas Cup sailors being past RS Feva Sailors themselves. Competing and socialising at such events gives our sailors a superb experience with the opportunity to build a great network of friends from all over the world.

More details can be found here at the rsfeva.org website.

We very much look forward to welcoming you and your sailors.

Yours Sincerely

Lucy Jameson
